

AMS
ACCEPTANCE
DATA
PACKAGE
FOR:

TCS MLI

This letter indicates the delivery and concurrence of the Acceptance Data Package (ADP) for the TCS MLI, as part of the Alpha Magnetic Spectrometer Project. The ADP package was reviewed and found to be in accordance with memo EA-07-045 (formerly EA-06-043). Refer to next page for ADP checklist and exceptions if applicable. All certification requirement criteria have been successfully completed, or are not applicable. The following components are ready for integration onto the NASA provided Payload Integration Hardware.

Trent Martin
AMS Project Manager
